* EXAMINER: Initial of reference considered, whether or not inclusion is in accordance with 35CFR 1.501. Draw line through inclusion if not in accordance and not considered. Include copy of this form with next communication to applicant.

Unique citation designation number. See kinds of U.S. Patent Documents. Indicate office that issued the document, by the two-letter code (WFO Standard 57.1). For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document. Kind of document by the appropriate symbols as indicated in the list under AIPC Standard 27.16 if possible. Place a check here if English translation is attached.

DATE MAILED: JANUARY 11, 2002
